

## Nordic Concrete Research – Publication No. 57

### Errata

The printed version of the following paper is not the final version:

- 4      Guzel Shamsutdinova, Max A.N. Hendriks & Stefan Jacobsen      39  
         **Concrete-Ice Abrasion Test with Sliding Ice and Ice Spallation**

The final version can be found on the NCR web in the pdf of this issue, see [the pdf version of NCR 57 on the NCF web](#).

The difference between the final version and the printed version of the paper comprises among others the following items:

- The complete address of the 3<sup>rd</sup> author.
- Extended abstract.
- More details and explanations concerning the experiments.
- Improved readability in some of the figures.
- Corrections of editorial items.
- Revised structure of some of the sections & paragraphs.
- A 32<sup>nd</sup> reference.

The editor regrets this mistake and apologies.

*Johan Silfwerbrand*
